

**2022 JOINT SERVICES
AIR TRAFFIC CONTROL SYMPOSIUM
EXHIBIT AND SPONSORSHIP OPPORTUNITIES**

Welcome to the first Joint Services ATC Symposium. We are very excited to expand the 2022 Symposium to include the US Navy, Marine Corps, and Air Force, and we are asking for your support to the military ATC Community. The Joint Services ATC Symposium will be held 16-18 August 2022, Myrtle Beach Convention Center, Myrtle Beach, South Carolina.

The Symposium is an ideal forum to showcase air traffic control to the US Navy, Marine Corps, and Air Force. The Symposium helps reinforce the Joints Services professional excellence in the ATC community. It allows senior military and civilian professionals to enlighten, inspire, and educate junior and senior military air traffic controllers on ATC's latest technological advances, operational enhancements, and policy changes. The Symposium provides the perfect opportunity to get beyond the classroom and traditional training methods. There are many ways to get involved with the 2022 Symposium:

This is a non-profit event, 100% of your monies are used to produce this event to support the education of the Sailors, Marines, and Airmen.

Exhibit Opportunities:

Showcase your company with a 10x10 booth - \$5,000 (includes one 6 ft. table and 2 chairs)

Sponsorship Opportunities: (can be stand alone or shared with your industry partners)

Tiered Sponsorship Levels:

PLATINUM	\$20,000 (Exclusive Event Sponsor)
GOLD	\$10,000
SILVER	\$5,000
BRONZE	\$1,000
