

**2020 JOINT SERVICE
AIR TRAFFIC CONTROL SYMPOSIUM
EXHIBIT AND SPONSORSHIP OPPORTUNITIES**

Welcome to the first Joint Service ATC Symposium. We are very excited to expand the 2020 Symposium to include the US Navy, Marine Corps, Air Force and Army, and we are asking for your support to the military ATC Community. The Joint Service ATC Symposium will be held 1-4 June 2020, Myrtle Beach Convention Center, Myrtle Beach, South Carolina.

The Symposium is an ideal forum to showcase air traffic control to the US Navy, Marine Corps, Air Force and Army. The Symposium helps reinforce the Joints Service professional excellence in the ATC community. It allows senior military and civilian professionals to enlighten, inspire, and educate junior and senior military air traffic controllers on ATC's latest technological advances, operational enhancements, and policy changes. The Symposium provides the perfect opportunity to get beyond the classroom and traditional training methods. There are many ways to get involved with the 2020 Symposium:

This is a non-profit event, 100% of your monies are used to produce this event to support the education of the Sailors, Marines, Airmen, and Soldiers.

Exhibit Opportunities:

Showcase your company with a 10x10 booth - \$5,000 (includes one 6 ft. table and 2 chairs)
